

## Grade distribution table

To guarantee transparent and coherent information on student performance, the University of Castilla-La Mancha provides the following information on its national grading scale and on the statistical distribution (ECTS grade), following the indications of the ECTS User's Guide.

### 1.- National qualification system:

The grading system is regulated in Royal Decree 1125/2003, of 5 September 2003, and is expressed according to the following numerical scale, from 0 to 10:

Quantitative rating	Qualitative rating
0,0-4,9	Suspense (SS)
5,0-6,9	Aprobado (AP)
7,0-8,9	Notable (NT)
9,0-10	Sobresaliente (SB)
-	No presentado (NP)

### 2.- ECTS grading scale

The ECTS grading system of the University of Castilla-La Mancha shows the student's grade in relation to the results of the students who have passed the same subject in the two previous years, according to the following scale:

Quantitative rating	ECTS Grading	% of students obtained this grade
0,0-4,9	F	-
5,0-5,9	E	10
6,0-6,9	D	25
7,0-7,9	C	30
8,0-8,9	B	25
9,0-10	A	10
